Dear Mr. Parkin

I have forwarded your request to meet with the Native Village of Tyonek - IRA Council on August 11th, 2011 for a formal Government to Government Consultation pertaining to the proposed Chuitna Coal mine. Julia Shanagin / Tribal Administrator has approved this meeting request and the council will be notified of this meeting. Thank you very much for honoring the NVT request to consult on a Government to Government basis. Understanding, that your position will be temporary at EPA Alaska, it would be ideal if you could bring a note-taker so we can pass on minutes to your successor and to the EPA Region 10 Administrator. The meeting will be scheduled for 10:00 am.

Best wishes

Rob Rosenfeld / Advisor to NVT on Proposed Chuitna Coal Mine - (Rosenfeld Consultant Services)
